Balance Sheet	2
Statement of Changes in Equity	3
Statement of Cash Flows	4
Notes to the Financial Statements	5 – 13
Statement by the Committee of Management	14
Independent Auditor's Report	15

This financial report covers the Victorian Psychologists Association Inc. ("VPA") as an individual entity. The financial report is presented in the Australian currency.

The Victorian Psychologists Association Inc. is an association incorporated in Victoria under the *Associations Incorporation Reform Act 2012*. The purpose of VPA is promoting the union movement in the health service sector. The members of the VPA are also the members of the Health Services Union Victoria No 4 Branch (a registered trade union).

The principal place of business is:
Victorian Psychologists Association Inc.
Level 1, 62 Lygon Street
CARLTON SOUTH VIC 3053

The financial report was authorised for issue by the committee on 30 September 2025.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2025

1: Summary of material accounting policies

The principal accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board and the requirements of the *Associations Incorporation Reform Act 2012*. The Victorian Psychologists Association Inc. ("VPA") is a not-for-profit entity for the purpose of preparing the financial statements.

Compliance with Australian Accounting Standards – Simplified Disclosure Requirements

The financial statements of the Association comply with Australian Accounting Standards – Simplified Disclosures as issued by the Australian Accounting Standards Board (AASB).

New and amended standards adopted by the VPA

The association adopts all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that are relevant to the operations and effective for the current annual reporting period. None of them has material impacts on the financial reports of the VPA.

Early adoption of standards

The Association did not early adopt any standards and amendments.

Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- certain financial assets and liabilities (including derivative instruments and investment property – measured at fair value, and
- assets held for sale – measured at fair value less cost of disposal.

Critical accounting estimates

The preparation of financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the VPA's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 2.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2025

1: Summary of material accounting policies (Continued)

(b) Revenue recognition

VPA enters into various arrangements where it receives consideration from another party. These arrangements include consideration in the form of membership subscriptions. The timing of recognition of these amounts as either revenue or income depends on the rights and obligations in those arrangements.

Revenue is recognised for the major operating activities as follows:

Membership subscription

For membership subscription arrangements that meet the criteria to be contracts with customers, revenue is recognised when the promised goods or services transfer to the customer as a member of the VPA.

If there is only one distinct membership service promised in the arrangement, the VPA recognises revenue as the membership service is provided, which is typically based on the passage of time over the subscription period to reflect the VPA's promise to stand ready to provide assistance and support to the member as required.

If there is more than one distinct good or service promised in the membership subscription, the VPA allocates the transaction price to each performance obligation based on the relative standalone selling prices of each promised good or service. In performing this allocation, standalone selling prices are estimated if there is no observable evidence of the price that the VPA charges for that good or service in a standalone sale. When a performance obligation is satisfied, which is either when the customer obtains control of the good (for example, books or clothing) or as the service transfers to the customer (for example, member services or training course), the entity recognises revenue at the amount of the transaction price that was allocated to that performance obligation.

For member subscriptions paid annually in advance, the VPA has elected to apply the practical expedient to not adjust the transaction price for the effects of a significant financing component because the period from when the customer pays and the good or services will transfer to the customer will be one year or less.

When a member subsequently purchases additional goods or services from the entity at their standalone selling price, the VPA accounts for those sales as a separate contract with a customer.

Interest income

Interest income is recognised on a time proportion basis using the effective interest method. When a receivable is impaired, the VPA reduces the carrying amount to its recoverable amount, being the estimated future cash flow discounted at the original effective interest rate of the instrument, and continues unwinding the discount as interest income.

Other revenue

Other revenue is recognised when the right to receive the revenue has been established.

All revenue is stated net of the amount of Goods and Services Tax (GST).

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2025

1: Summary of material accounting policies (Continued)

(c) Cash and cash equivalents

For the statement of cash flows presentation purposes, cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the balance sheet.

(d) Receivables

Receivables are recognised and carried at original invoice amount less any allowance for any uncollectible amounts. An estimate for doubtful debts is made when collection of the full amount is no longer probable. Bad debts are written off when identified.

(e) Property, plant and equipment

Each class of property, plant and equipment is carried at historical cost less any accumulated depreciation and impairment. Historical cost includes expenditure that is directly attributable to the acquisition of items.

Depreciation

The depreciable amount of all fixed assets including buildings are depreciated over their estimated useful lives to the VPA commencing from the time the asset is held ready for use.

Class of fixed asset	Depreciation rate	Depreciation basis
Plant and equipment	7.5 – 11.25%	Diminishing value

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the income statement.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2025

1: Summary of material accounting policies (Continued)

(f) Financial Liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, at amortised cost unless or at fair value through profit or loss. All financial liabilities are recognised initially at fair value and, in the case of financial liabilities at amortised cost, net of directly attributable transaction costs.

The VPA's financial liabilities include trade and other payables.

Subsequent measurement

Financial liabilities at fair value through profit or loss (including designated)

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Gains or losses on liabilities held for trading are recognised in profit or loss. Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in AASB 9 are satisfied.

Financial liabilities at amortised cost

After initial recognition, trade payables and interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in profit or loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in profit or loss.

(g) Goods and Service Tax (GST)

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the Australian Taxation Office (ATO). In this case, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense.

Receivables and payables in the balance sheet are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the balance sheet.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities, which are recoverable from, or payable to the ATO as classified as operating cash flow.

Commitments and contingencies are disclosed inclusive of GST.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2025

1: Summary of material accounting policies (Continued)

(h) Functional and presentation currency

Items included in the financial report are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial report is presented in Australian dollars, which is the VPA's functional and presentation currency.

(i) Impairment of assets

Other assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered impairment are reviewed for possible reversal of the impairment at each reporting date.

(j) Fair value measurement

All assets and liabilities are stated at their initial recognition value which approximates their fair value at the end of each financial year. Due to their nature, none of the assets and liabilities have been re-measured at fair value on either a recurring or a non-recurring basis after their initial recognition.

(k) Comparative figures

Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

2: Critical accounting estimates and judgements

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the VPA and that are believed to be reasonable under the circumstances.

(a) Critical accounting estimates and assumptions

The VPA makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. None of the estimates and assumptions are expected to have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

(b) Critical judgments in applying the VPA's accounting policies

No critical judgements have been made in the process of applying the VPA's accounting policies.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2025

3: Revenue

	2025 \$	2024 \$
Revenue from contracts with customers		
Membership subscription	<u>351,159</u>	<u>297,181</u>
	<u>351,159</u>	<u>297,181</u>

(ii) The names of the VPA Committee who have held office during the year are:

<i>Name</i>	<i>Position</i>
Megan Chapman	President
Daniel Simsion	Vice President
Jacqueline Evans-Barker	Treasurer (resigned 21 August 2025)
Helen Jeges	Treasurer (appointed 21 August 2025)
Conor Serong	Secretary (appointed 22 May 2025)
Lisa Alcock	Secretary (resigned 23 May 2025)
Viviane Lebnan	Committee Member
David Reid	Committee Member
Anastasia Sagris-Desmond	Committee Member
Ella Sexton	Committee Member
Helen Jeges	Committee Member (resigned 21 August 2025)
Emma Salt	Committee Member
Ania Krysztofiak	Committee Member
Jodie Wilson	Committee Member (resigned 21 August 2025)
Samantha Splatt	Committee Member

(iii) Transactions with key management personnel and remuneration

(a) VPA did not pay any remuneration to its key management personnel during the year for the administration of VPA.

(b) There are no loans between key management personnel and the VPA.

(c) There were no transactions between the officers of VPA other than those relating to their membership of VPA and reimbursement by VPA in respect of expenses incurred by them in the performance of their duties. Such transactions have been on conditions no more favourable than those which is reasonable to expect would have been adopted by parties at arm's length.

(iv) Other Trusts

The association was not a trustee of a trust during any part of the financial year and none of its funds or assets are held by another person or body.

STATEMENT BY THE COMMITTEE OF MANAGEMENT

In the opinion of the Committee, the financial report as set out on pages 1 to 13:

1. Presents a true and fair view of the financial position of Victorian Psychologists Association Inc. as at 30 June 2025 and its performance for the financial year ended on that date in accordance with the Australian Accounting Standards and other mandatory professional reporting requirements and other authoritative pronouncements of the Australian Accounting Standards Board and *Associations Incorporation Reform Act 2012*.
2. At the date of this statement, there are reasonable grounds to believe that Victorian Psychologists Association Inc. will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

President – Megan Chapman

Treasurer – Helen Jeges

Dated this 30 SEPTEMBER 2025

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF VICTORIAN PSYCHOLOGISTS ASSOCIATION INC.

Report on Audit of the Financial Report

Opinion

We have audited the financial report of the Victorian Psychologists Association Inc. ("VPA") which comprises the balance sheet as at 30 June 2025, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of material accounting policies and other explanatory information and the statement by Committee of Management.

In our opinion:

the accompanying financial report of Victorian Psychologists Association Inc.:

- a) presents fairly, in all material respects, the financial position of Victorian Psychologists Association Inc. as at 30 June 2025 and the results of its operations, its changes in equity and cash flows for the year then ended; and
- b) complying the Australian Accounting Standards – General Purpose Financial Statements – Simplified Disclosures and the *Associations Incorporation Reform Act 2012*

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

We are independent of the VPA in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES110 *Code of Ethics for Professional Accountants* (the "Code") that are relevant to our audit of the financial report in Australia. We have fulfilled our other ethical responsibilities in accordance with the Code.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
VICTORIAN PSYCHOLOGISTS ASSOCIATION INC. (Continued)****BGL & Associates Pty Ltd**
ACN 006 935 459
Trading as BGL Partners**Committee of Management's responsibility for the financial report**

The Committee of Management is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards – General Purpose Financial Statements – Simplified Disclosures and the *Associations Incorporation Reform Act 2012* and for such internal control as the Committee of Management determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee of Management is responsible for assessing VPA's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee of Management either intend to liquidate VPA or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibility for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the VPA's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee of Management.

VICTORIAN PSYCHOLOGISTS ASSOCIATION INC. (Continued)****BGL & Associates Pty Ltd**
ACN 006 935 459
Trading as BGL Partners**Auditor's responsibility for the audit of the financial report (Continued)**

- Conclude on the appropriateness of the Committee of Management use of the going concern basis of accounting in the preparation of the financial report. We also conclude, based on the audit evidence obtained, whether a material uncertainty exists related to events and conditions that may cast significant doubt on the VPA's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the disclosures in the financial report about the material uncertainty or, if such disclosures are inadequate, to modify the opinion on the financial report. However, future events or conditions may cause the VPA to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation
- Obtain sufficient appropriate audit evidence regarding the financial information of the VPA or business activities within the VPA to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
